§ 108.9 Screening of passengers and property.

(a) Each certificate holder required to conduct screening under a security program shall use the procedures included, and the facilities and equipment described, in its approved security program to prevent or deter the carriage aboard airplanes of any explosive, incendiary, or a deadly or dangerous weapon on or about each individual's person or accessible property, and the carriage of any explosive or incendiary in checked baggage.

(b) Each certificate holder required to conduct screening under a security program shall refuse to transport—

(1) Any person who does not consent to a search of his or her person in accordance with the screening system prescribed in paragraph (a) of this section; and

(2) Any property of any person who does not consent to a search or inspection of that property in accordance with the screening system prescribed by paragraph (a) of this section.

(c) Except as provided by its approved security program, each certificate holder required to conduct screening under a security program shall use the procedures included, and the facilities and equipment described, in its ap-

proved security program for detecting explosives, incendiaries, and deadly or dangerous weapons to inspect each person entering a sterile area at each preboarding screening checkpoint in the United States for which it is responsible, and to inspect all accessible property under that person's control.

(d) Each certificate holder shall staff its security screening checkpoints with supervisory and non-supervisory personnel in accordance with the standards specified in its security program.
